OVERVIEW

This resource guide includes child and family behavioral health state and local resources with service descriptions and contact information for Gwinnett County. This document is meant to serve, inform & assist regional coalition's partners, community members & local stakeholders.

This resource guide has been co-produced by Resilient Georgia & Resilient Gwinnett.

RESILIENT GWINNETT

Mission: We build resilient communities within Gwinnett by creating a shared understanding of adversity and resilience, promoting trauma-informed practices, and advocating for policy and system change.

RESILIENT GEORGIA

Mission: To lead a state-wide coalition to develop a closely aligned and trauma-informed public and private network working toward a united vision to create a birth through 26 year old integrated behavioral health system. Key components to be implemented by our partners include prevention, early intervention, research, advocacy and policy, and System of Care implementation and coordination.
