

Resilient Gwinnett in Action Summit
Stronger Together: Building Resilience Across Systems

2026 Sponsorship Opportunities

The **Resilient Gwinnett in Action Summit** is a premier community-wide event focused on strengthening systems that support youth and young adults across Gwinnett County. This year's Summit will be held on **Thursday, March 26, 2026, from 8:00 AM – 5 PM at Maison 6405 in Duluth.**

Resilient Gwinnett unites partners across education, healthcare, business, government, and community organizations to prevent adverse childhood experiences, promote positive childhood experiences, and strengthen trauma-informed care for youth ages 0–26. The Gwinnett Coalition provides backbone leadership for this work and serves as the statewide partner for Resilient Georgia, reinforcing trusted, coordinated resilience efforts locally and statewide.

The Resilient Gwinnett in Action Summit amplifies this mission by giving companies a powerful platform to demonstrate their commitment to corporate social responsibility, employee well-being, and community resilience, all while helping to strengthen Gwinnett's future workforce.

Why This Matters

Burnout and mental health challenges are affecting Georgia's Workforce:

- 70% of Georgia workers reported experiencing a level of burnout
- 1 in 5 Georgia workers admitted burnout directly impacted their work performance
- 1 in 3 Georgia workers reported experiencing mental health challenges provoked by work.

Locally, the need is urgent:

- Suicide death rate for youth (15–24) in Gwinnett: **14 per 100,000**
- Suicide death rate for males: **21 per 100,000**
- **1 per 628** – ratio of mental health professionals to residents in Gwinnett

Trauma-informed workplaces help build cultures of trust, collaboration, psychological safety, and empowerment. Companies play a critical role in creating resilient communities – beginning with their own staff.
